Requests for a review must be submitted in writing to Driver and Vehicle Services at the address listed above.
- Reporting requirements for drivers with insulin-treated diabetes are established in Minnesota Rules, chapter 7410. Failure to provide complete and accurate information will result in the loss of your driving privileges.

MINNESOTA RULE 7410.2610 - INSULIN-TREATED DIABETES MELLITUS

Subp. 3.

Reporting diagnosis of insulin-treated diabetes or episode.

A person shall report a diagnosis of insulin-treated diabetes or an episode, in writing, to the department as follows:

A. after a diagnosis of insulin-treated diabetes:

- (1) at the time of applying for a driver's license; and
- (2) within 30 days after the diagnosis;

B. for a driving-related episode:

- (1) within 30 days after the episode; and
- (2) on a regularly scheduled physician's statement as required in subpart 3a; and

C. for a non-driving-related episode, on a regularly scheduled physician's statement as required in subpart 3a.

If a person has reason to know the requirements of items A and B, and willfully fails to report or willfully makes a material misrepresentation to the department concerning the person's diabetic condition, the commissioner shall suspend the person's driver's license for six months. The six-month suspension period will begin within 30 days from the date the department discovers the failure to report or misrepresentation.

Subp. 3a.

Physician's statement required.

A physician's statement, on a form prescribed by the commissioner, is required:

A. after the person:

- (1) is diagnosed as having insulin-treated diabetes; or
- (2) has a driving-related episode under subpart 3; and

B. every six months until the person has been episode free for a year; and then

C. annually until the person has been episode free for four years; and then

D. every four years; and additionally

E. as recommended by the physician or by the department.

The six-month, one-year, or four-year period will begin from the date the most recent physician's statement has been received and approved by the department. During a period of cancellation or suspension under this part, the department shall not require a physician's statement until the end of the cancellation or suspension period.

If a person fails to return a physician's statement to the department within 30 days from the date of mailing, the commissioner shall cancel the person's driver's license until the physician's statement is submitted to the department and accepted.

The physician's statement must indicate, at least, the date of each of the person's episodes since the previous physician's statement, whether the person is cooperating in the treatment of the condition, the person's prognosis for control of the person's diabetic condition, and whether the person is medically qualified to exercise reasonable and ordinary control over a motor vehicle on the public roads.
